

Complete Range Electric Water Heater — 30L to 100L Full Line

Single Source for Complete Product Portfolio

Product Overview

Target Application: retail stores, distributor networks, project suppliers

Key Problem Solved: managing multiple suppliers for different capacity requirements

Unique Advantage: one factory provides complete 30L-100L range with consistent quality

Technical Specifications

Parameter	AT30-R20VJ	AT50-R20VJ	AT80-R20VJ	AT100-R20VJ
Rated Voltage	220V	220V	220V	220V
Rated Frequency	50Hz	50Hz	50Hz	50Hz
Rated Power	2500W	2500W	2500W	2500W
Rated Pressure	0.7MPa	0.7MPa	0.7MPa	0.7MPa
Capacity	30L	50L	80L	100L
Dimensions	340x340x515mm	340x340x740mm	410x410x790mm	410x410x945mm
Net Weight	11kg	15kg	20kg	22kg

Key Selling Points

■ Complete Product Line

Full range from compact 30L to high-capacity 100L meets all market segments.

■ Consistent Quality

Same manufacturing standards and components across all capacity options.

■ Unified Documentation

Single set of certifications, manuals, and marketing materials for the entire range.

■ Efficient Logistics

Consolidated shipping and single-point contact streamline import operations.

■ Volume Pricing

Combined order volumes across multiple SKUs qualify for better pricing tiers.

OEM / ODM Customization Services

Full range OEM programs available — brand the entire product line with your logo and packaging. Marketing support materials included.

Factory & Quality Assurance

One of the few factories offering complete 30L-100L range with full CE/CB certification. Simplified procurement for distributors.
